

RIDGE VALLEY SCHOOL

RVS/CIR/093/2022-23

21st Sept 2022

STUDENT LED CONFERENCE – 27th SEPTEMBER 2022

Dear Parent,

Greetings!

A student-led conference is a preplanned meeting in which students demonstrate responsibility for their academic and co-scholastic performances by providing a review of their work for parents and teachers. SLCs help boost the confidence of students and uplift their communication and presentation skills by challenging them to ensure self-reflection, goal setting and leadership skills amongst other 21st century skills. We are glad to share with you that our young scholars of Grades III-V will be spearheading the first SLC session.

Day and date: Tuesday, 27 September 2022

Time: 8:30 am- 9:30 am

Kindly note the details-

- Each parent has been designated a time slot to visit the classroom in which their ward will present the portfolio of work from each subject and discuss his/her progress.
- The time slots are already reflecting on the weekly report and will be uploaded on the Edunext.
- Kindly adhere to the allocated time slot.
- It's a regular working day for students. The arrival and dispersal timings remain as usual.
- The teacher will guide the children before the SLC.

Looking forward to a fruitful interaction.

For any concern, please connect with the Class Teacher.

Warm Regards

Ms. Nidhi Tewari
Principal
