JOY OF GIVING – DONATION DRIVE

Dear Parent

Greetings!

‘We make a life by what we give.’

Here is to the **joy of giving**, and a season that is as beautiful as it is meaningful! Soaking into the spirit of Christmas, Ridge Valley School will be observing the ‘Joy of Giving’ days on December 20th & 21st, 2022.

To add smile and joy to the lives of those who need it the most, let’s be generous to come forward and contribute old clothes (washed and ironed, food supplies, toys etc. properly packed with the child’s name and grade mentioned on the packet). The contributions can be handed over to the respective class teachers. This will further be distributed to our NGO partners.

We look forward to a whole-hearted support by parents to contribute to someone’s happiness and well-being and be a guiding light to our students.

Looking forward for an overwhelming response!!

Warm Regards

Ms. Nidhi Tewari
Principal
