11<sup>th</sup> FEB 2023

## FUTURE TECH OLYMPIAD

Dear Parents, (VI to VIII)

Greetings!

This is to inform you that CBSE in partnership with IBM is launching the 'Future Tech Olympiad', to provide students an opportunity to assess their understanding of future technologies while inspiring them to learn and gain a deeper understanding of ethical and productive use of technology. This Olympiad aims to identify youth leaders of Digital India and give them further opportunities.

We will be conducting the **Future Tech Olympiad** for the students of grades VI to VIII, to assess the future tech readiness of students for a Digital India on Monday 13<sup>th</sup> February during school hours. Please ensure your ward's attendance in school for the same.

Please refer to the link below for more details.
